**The Road Home Dane County Presents “Families Moving Forward” June 3:**

**A Reunion for Client Families, Volunteers and Donors**

**What:** A “family reunion” to celebrate The Road Home Dane County client families’ successes

**When:** Sunday, June 3, 2012, 12:30 p.m. – 3:00 p.m. (1:30 p.m. Awards Presentation)

**Where:** Warner Park Community Center, 1625 Northport Drive, Madison, WI

**Why:** The Road Home Dane County helps homeless families with children to find emergency and long-term housing and provides intensive case management to help families create stable lives for themselves. The “Families Moving Forward” event is an opportunity for the Road Home community – former clients, volunteers, staff and donors – to come together to celebrate our families’ growth. Awards will be given to recognize parent and children’s success in education, employment and housing.

The Road Home Executive Director Kristin Rucinski says: “We work with 1,500 volunteers throughout the year who see our clients when they are at their lowest. This event was created to honor our families and to connect volunteers and donors with our families so they can see the impact their contributions to the Road Home Dane County have made.”

**Who:** Road Home Executive Director Kristin Rucinski, Road Home Board President David Michael and a Resident Family will speak at the event.
