Potential volunteers with The Road Home must complete a two part orientation. Part 1 consists of attending a "Homes for Families Tour". Part 2 consists of reading a packet of introductory materials and completing review questions. Once these two parts have been completed an individual will consult with one of The Road Home's volunteer managers, to finalize a volunteer assignment. A background check will be required of those individuals who will be working one on one with a child, or as a mentor with an adult.
