

2019 Event Sponsorship

The Road Home Dane County annually serves 175 families including 375 children who have experienced homelessness. We provide case management services and programs to help families move into and sustain affordable housing, meet basic needs, and set goals for education, employment, mental and physical health and relationship building.

The Road Home holds two major annual events: a celebration of family success called Families Moving Forward (August 3) and the Homes for Families fundraising breakfast (November 7).

Please consider teaming up with The Road Home to end family homelessness by becoming an Event Sponsor for one or more years at one of the levels listed below.
